Priors: If you have any prior convictions, we'll need to have documentation that you received from the court that identifies the nature of the conviction and how it was resolved. You must provide a statement written in your own words that explains what happened.

Misdemeanor DUI: court order, status of completion, verification of completion

All crimes involving conduct that may affect patient safety or any felony must be reported to MRTBE within 10 days of conviction/date charges are filed.

32-3208. Criminal charges; mandatory reporting requirements; civil penalty

- A. A health professional who has been charged with a misdemeanor involving conduct that may affect patient safety or a felony after receiving or renewing a license or certificate must notify the health professional's regulatory board in writing within ten working days after the charge is filed.
- B. An applicant for licensure or certification as a health professional who has been charged with a misdemeanor involving conduct that may affect patient safety or a felony after submitting the application must notify the regulatory board in writing within ten working days after the charge is filed.
- C. On receipt of this information the regulatory board may conduct an investigation.
- D. A health professional who does not comply with the notification requirements of this section commits an act of unprofessional conduct. The health professional's regulatory board may impose a civil penalty of not more than one thousand dollars in addition to other disciplinary action it takes.
- E. The regulatory board may deny the application of an applicant who does not comply with the notification requirements of this section.
- F. On request a health profession regulatory board shall provide an applicant or health professional with a list of misdemeanors that the applicant or health professional must report.
